

Album in a Box

A great way to highlight a special event

BOX:

1 12" x 12" cardstock

Score at 4", turn $\frac{1}{4}$, score at 4", repeat on all four sides.
(Note: SU! cardstock purchased prior to 7/1/06 is only 11-7/8" - Score at 3-15/16" on all four sides instead.)

1 10-1/2" x 10-1/2" cardstock

Score at 3-1/2", turn $\frac{1}{4}$, score at 3-1/2", repeat on all four sides.

1 9" x 9" cardstock

Score at 3", turn $\frac{1}{4}$, score at 3", repeat on all four sides.

Cut off all 4 corners on each piece. Don't discard. These may be used as mats. (When matting, cut mat 1/4" smaller than the layer).

Stack all 3 pieces with the smallest one on top. Use Sticky Strip to adhere layers.

Fold all layers at score marks and form into box shape. cover box with lid.

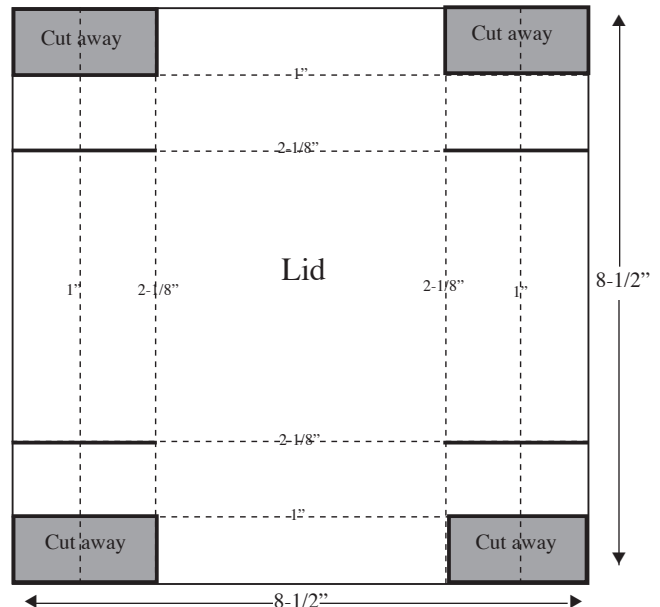

Artwork © Stampin' Up!® 1990-2006

LID:

1 8-1/2" x 8-1/2" cardstock

- Score at 2-1/8" and at 1", turn $\frac{1}{4}$, score at 2-1/8" and at 1", repeat on all sides.
- Cut away 4 corners as shown on diagram.
- Cut slits ONLY on TWO opposite ends as shown.
- Fold the long sides over first and overlap with the short sides.
- Assemble lid by folding along scored lines and adhering flaps with sticky strip.
- Attach ribbon through top of lid to make it easier to open the album.
