

# Basket

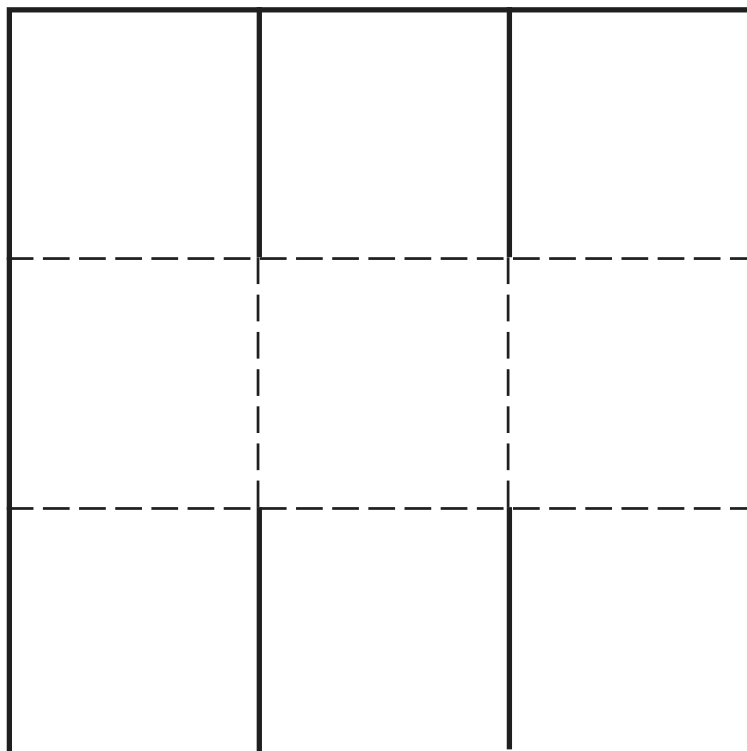

Great for Easter, weddings & parties.

1. Cut any size square from cardstock
2. Stamp as desired
3. Divide into equal sections as shown.  
Scoring & cutting as indicated
4. Cut a strip of cardstock for the handle
5. Assemble as shown using brass fasteners or staples and embellish (cover staples) with a bow or stamped image

Try cutting the edges of the basket & handle with patterned scissors before assembling.
