## Directions:

1. Score one piece of the 12" x 12" sheet of DSP as shown below in diagram A.
2. Fold at score lines and make angled folds as shown in photos on next page.
3. Cut 2 pieces of 8-1/2" x 2" strips of coordinating cardstock and score as indicated in diagram B. Trim away the 2 corner pieces as shown in photos and adhere to top edges of the purse using sticky strip.
4. Place jumbo eyelets on each of the trim pieces using the Crop-a-dile and add ribbon for handles.
5. Punch 2 pieces of coordinating cardstock using the Tab punch. Add one to each trim piece and embellish with brads if desired. Place a velcro tab to the interior side of the tabs. Your purse is now complete!
