

Double Jr. Notepad Cover

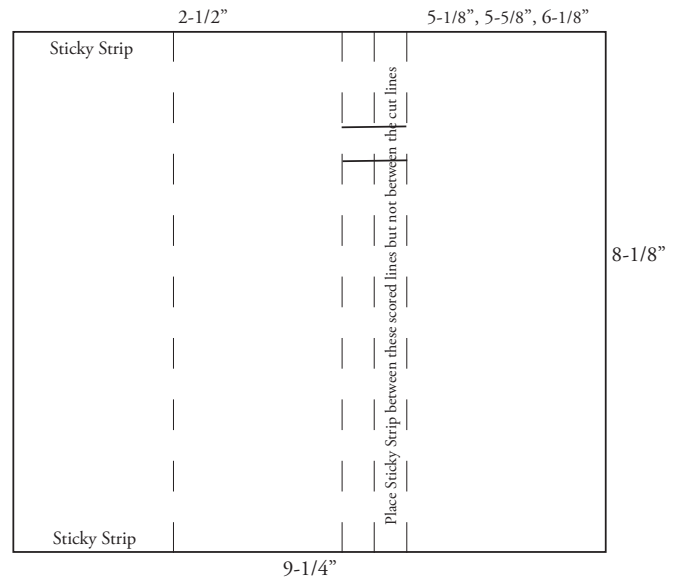

Supplies:

- 1 sheet of 9-1/4" x 8-1/8" cardstock
- 1 Jr. Legal pad (5" x 8") that is cut in half to make 2 narrow pads
(Note: I take the entire package of the pads to the print counter at Staples and they charge \$2 to cut the stack of pads in half)
- 12" paper cutter w/ scoring blade
- Sticky Strip
- Designer Series Paper (DSP)
- Stamps & other Embellishments as desired

Directions:

1. Score and cut cardstock as shown in diagram.
2. Fold over the first 2-1/2" section and adhere at top and bottom edge with sticky strip to make a pocket.
3. Place sticky strip as between the two scored lines as shown (being careful to avoid the section between the cut lines). Take sticky strip off and adhere to the back (right) part of the notepad holder. Push out the cut out section to make the pen holder.
4. Cover the top edges of the notepads with DSP.
5. Adhere to both interior sides of the notepad cover
6. Decorate front cover as desired.
7. Add pen to the holder and you're done!

Single Jr. Notepad Cover

Supplies:

- 1 sheet of 7-5/8" x 8-1/8" cardstock
- 1 Jr. Legal pad (5" x 8") that is cut in half
- 12" paper cutter w/ scoring blade
- Sticky Strip
- Designer Series Paper (DSP)
- Stamps & other Embellishments as desired

Directions:

1. Score and cut cardstock as shown in diagram.
2. Fold over the first 2" section and adhere at top and bottom edge with sticky strip to make a pocket (use circle punch along the edge first to make a notch if desired).
3. Cover the top edge of the notepad with DSP.
4. Adhere pad to the right interior side of the notepad cover
5. Decorate front cover as desired and you're done!
