## Instructions:

1. Cut two 1" x 5-1/4" pieces of the heart pattern out of the Bubbles & Fizz Designer Series paper and adhere one to each side of the front of the folded Whisper White Cardstock leaving about 1/8" space from the outer edges of the card base.
2. Make a pencil mark approximately 1" from the top of the card at the center of the white space to use as a guide for stamping the panda. Stamp the panda centering between the DSP and color in the heart with a Calypso Coral marker.
3. Center the Calypso Coral cardstock in the Petal Pair embossing folder that looks like vines and run through the Big Shot.
4. Place the now embossed Calypso Coral cardstock all the way in to the 1-3/4" Circle Punch, center from left to right and punch to make your opening.
5. Wrap the baker's twine around the Calypso Coral cardstock and tie a bow.
6. Fold the Melon Mambo cardstock in half to form the card base and adhere the stamped/embossed Whisper White cardstock to the front of the card base.
7. Use Dimensionals to adhere to the top of the card centering between the pieces of DSP.
8. If desired, color the white hearts with Wink of Stella to add a little sparkle!
