

# Paper Pumpkins

*These can be made in various sizes by varying the width and length of the strips.*

## Supplies:

Fall colored cardstock  
Paper Cutter  
Textured Impressions Embossing Folders  
Brads  
Ribbon  
Stamps & Coordinating Stamp Pad if desired

## Directions:

- Step 1: Cut 8-10 strips of 1" x 6" cardstock.
- Step 2: Run pieces through embossing folders if desired.
- Step 3: Punch holes on each end of the strips using 1/8" circle punch.
- Step 4: Stack up the strips and place ribbon through the holes on one side and hold the ribbon in place with a brad.
- Step 5: Place the ribbon through the holes on the other side of the stacked strips.
- Step 6: Pull the ribbon through so that the strips get "squished together" and begin to form a pumpkin like shape.
- Step 7: Spread each of the strips apart to form the pumpkin shape and then tie a knot in the ribbon at the top.
- Step 8: Embellish pumpkin as desired.
