

Triangle Box

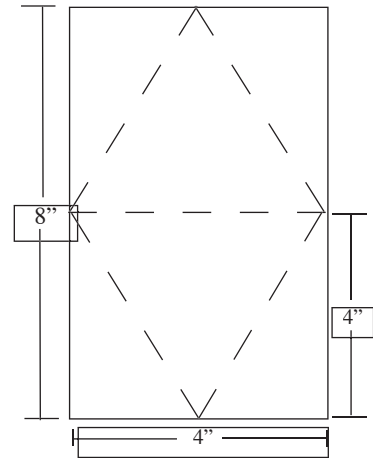

Materials:

- Cardstock (4" x 8")
- Paper cutter w/ scoring tool
- Stamps & accessories
- Hole punch
- Ribbon

Directions:

1. Stamp cardstock as desired.
2. Fold in 1/2 lengthwise and use bone folder to flatten crease.
3. Open up and make additional creases on dotted lines as shown.
4. Fold into triangle shape and punch holes on both sides.
5. Place candy, jewelry, etc... into box.

Bag Box

Materials:

- Cardstock (8-1/2 x 11)
- Paper cutter w/ scoring tool
- Stamps & accessories
- Hole punch
- Ribbon

Directions:

1. Stamp cardstock as desired.
2. Score as shown at dotted lines (not the angled ones).
3. Use Bone folder to make crisp creases into the valleys.
4. Fold long sides into the center and create a valley fold on the angled lines by matching up folded edges.
5. Form into container shape and insert goodies.
6. Pinch top edges together and punch holes through all layers.
7. Tie a bow and add tag as desired.
